

**Complex Transformation Supplemental Programmatic Environmental Impact Statement  
Secured DOE Document**

Because of the security sensitivity of some information in National Environmental Policy Act (NEPA) documents, certain documents have limited access. This document is a secured U.S. Department of Energy (DOE) document and is not available to the public in electronic format. These documents are available in hard copy through DOE as available. Go to [http://www.gc.energy.gov/NEPA/nepa\\_request.htm](http://www.gc.energy.gov/NEPA/nepa_request.htm) for additional information.
